

Camping Enthusiasts Wanted for All-Season Outdoor Adventure

Looking for adventure all year round? The Friends of Frontenac Park are seeking keen campers who wish to showcase their significant feats of endurance.

THE CHALLENGE: go overnight camping in the Park every month of the year within a one-year period.

THE REWARD: you will be recognized for your extreme commitment to all-season outdoor adventure and receive public accolades, your name on a plaque, and the official emblem of the Ultimate Camper to sew on your pack.

All you need to do is collect a registration form from the Park Office and go camping! Upon completion of your year of adventure in the Park, simply turn in the form along with your used camping permits showing that you stayed overnight in twelve consecutive months. If you should be part of a group, please either photocopy the permit for campers submission or indicate the permit number on the form.

The Friends of Frontenac Park will send recognition of your endeavour right away. You'll receive a special emblem to sew on your pack to show all that you are an ultimate outdoor adventurer! And, your achievement will be highlighted at the next Friends of Frontenac Park Annual General Meeting which is held the first week in November.

So what are you waiting for? Start now! The first Ultimate All-Season Camper awards will be presented in November 2012. Document your adventures and inspire others to get involved. Share your pics and stories with us.
