

## **Friends of Frontenac Park Board of Directors**

### **President/Vice President/Treasurer Positions Available**

The Friends of Frontenac Park is a non-profit, charitable organization that works co-operatively with the administration of Frontenac Provincial Park in the development and promotion of programmes that enhance public awareness and experience of the natural environment. The Friends maintain an active membership of over 200 individuals and a 10-member board of directors. This year represents our 25<sup>th</sup> anniversary and among our noteworthy contributions we include: the installation of information kiosks and historical plaques, wilderness skills training, guided educational outings of park's flora and historical sites, a multi-language brochure and \$2,500 student research grant. We take pride in our contributions and recognize these represent both the dedication and unique skills of our membership and the initiative and leadership of our board members.

Filling positions on the Board of Directors, particularly the executive level of President, Vice President or Treasurer is often a challenge for volunteer organizations. Our practice has been to fill these positions from within existing general membership, however present circumstances lead us to explore the novel approach of appealing to the broader community of naturalists, wilderness activists, dedicated park visitors and persons known to have an interest in the FOF and the work of the Friends' organizations throughout the province. All of which leads us to ask:

***“Are you interested in an executive position with the Board of Directors, Friends of Frontenac Park?”***

Formal applications are not required but we welcome a notice of interest for the position of President, Vice President or Treasurer. The roles of the executive positions include conducting board meetings, replying to correspondence and offering Newsletter comments, leading at general assemblies such as the Annual General Meeting or the Frontenac Challenge, participating at Friends' functions, overseeing financial operations and on occasion representing the FOF at meetings or consultations with other Friends or like-minded groups, local community groups, the park or MNR officials.

Notice of interest and informal inquiries can be made with any board member or contact us: **Chantal St. Amour, Secretary FOF: [chantilly4@yahoo.com](mailto:chantilly4@yahoo.com) or any current board member.**
